- 2 x 1.5kW pump
- 1 x 0.7kW air-blower

NeoQi Mediq Oxy

Oxygen is essential for cell metabolism, and in turn, tissue oxygen is essential for all normal physiological functions. Oxygen generator located in Mediq Oxy allows the customer to enrich their body with extra oxygen besides other basic treatments possible with this equipment. There are two options – either targeting face or whole body area. Having more oxygen in your skin, helps it fight against pollution and aging.

Music system (MP3)
Face cooling fan
Hand shower

NeoQi Atlantic

This model is designed using MediQ's main benefits with the goal to adjust the functionality for the beauty and wellness treatments. Atlantic like MediQ is roomy inside, infrared sauna is more powerful and the client is accessible from all the sides. The cocoon's bath is missing hydromassage function what makes the product more affordable and easier to service. You can use the bathtub for simple bathing and all the main functions of Neoqi equipment are still present. Atlantic is suitable for beauty parlors, solariums and day spas.

Basic Treatments in Neoqi Atlantic

- Body scrub
- Massage with oil
- Vichy shower/Hand shower for body
- Body wrapping with usage of cosmetic mask
- Facial during body treatment
- Balneotherapy
- Steam procedure (steam and/or infrared saur
